

Celebrity Comments

Steffi Graf, Mannheim

"I am now able to understand my body in a much better way! Congratulations on such a sensational exhibition and a very enlightening tour. I hope that this exhibition will gain more acceptance."

André Agassi, Basle

"What an incredible learning experience! To separate the mind and body has added much to my life! Thank you!"

Nicole Kidman, Los Angeles

"Thank you for such an important exhibit. What a wonderful way to learn."

Dustin Hoffman, London

"Thank you Gunther for this extraordinary exhibition & hope it's many, many years before either of us wind up there."

Demi Moore, Los Angeles

"Absolutely remarkable! A gift of exploration that everyone except the faint hearted should see ... thank you."

Tina Turner, Cologne

"Thank you for such an examination of the human body. I look forward to see it again. Thank you very much for your time and such wonderful moments."

Jean-Paul Gaultier, London

"Fabulous Exhibition! Reality is much more than fiction. But here it's dramaturgy and theatricalisation and re-creation of reality. Marvelous. Unique. Definitely to see many times. So inspiring."

Mario Adorf, Cologne

"I am deeply impressed; I've learned a lot and hope that many more people will come to visit the exhibition. Congratulations on the intelligent arrangement and the aesthetic surroundings. Thank you most sincerely for your comprehensive and kind tour and explanations!"

Nick Nolte, London

"Well, not much can be said - Awe-Inspiring."

Gabrielle Reese, Los Angeles

"Thank you for all the wonderful adventures inside. My family and I enjoyed the exhibit."

Monty Roberts, Berlin

"To Gunther: I am so pleased to see this great exhibit. I feel that the educational value of your work is a new high mark in our history. Please accept my congratulations. I could not be more pleased to see that you have included our great friend "The Horse" in your exhibit. To bring the Horse and Human together in this way is a tribute to our relationship with this wonderful animal. Keep up the fantastic work you are doing!"

Adrian Brody, Berlin

"Well now I've seen everything. Finally I'll have a good nights sleep!"

Björk, Brussels

*"Thank you! I am very grateful to time been invited to this exhibition. It was the most gorgeous meeting of the scientific and the poetic. How humbly the maker bowed to science made the greatness of this so much larger. *Gratitude* for the nourishment and the generosity!"*

Tony Hawk, Los Angeles

"It is amazing and enlightening. A fascinating learning experience. I will never take my body for granted again."

Kelly Family, Cologne

"Thank you very much for bringing this exposition to Köln and for inspiring us about human life inside and outside!! Also very, very special thanks to the people who worked so hard in making it possible. My God! How complicated we are!"

Gary Oldman, Los Angeles

"Absolutely side-splitting. Eye opening. I never knew there was so much going on inside - like a silent pink factory. Wonderful!"

Lesley Joseph, London

"A quite extraordinary experience, slightly unnerving, but I do feel an enormous respect now for our bodies and the way they function. Thank you!"

Nick Nolte, Los Angeles

"Well again - The art of science, of what we are - amazing."

David Harewood, London

"An absolutely fascinating experience! Only this morning I was discussing with my partner how unique we are as human beings and this has proved it too me. Why fight wars? What is the point of racism? We are all the same! Thanks!"

Charlize Theron, Los Angeles

"So amazing, great work!"
