

ONLY WEEKS REMAIN TO SEE *BODY WORLDS VITAL* IN CALGARY

The world-renowned travelling exhibition is only at TELUS Spark until May 31

(April 28, 2016 - Calgary, AB) *BODY WORLDS Vital* is your opportunity to explore the mysteries of the human form and is closing soon. With a focus on preventative health management, this world-renowned exhibition makes the connection between a healthy lifestyle and your physical well-being. Peel back the skin to:

- Improve your knowledge of sexual health. Use the coupling exhibit as a stepping stone to conversations about sex and sexuality in today's world.
- Discover what years of smoking can do to your lungs.
- Observe what it takes to bend over backwards on a balance beam.
- Recognize the way an artificial hip helps you keep moving.
- See, first-hand, why diet and exercise are important to your health.
- Explore the human body in a way textbooks can't deliver.

WHO: Albertans with a healthy curiosity about wellness and the human body. Parents wanting to provide their kids with an educational experience. Adults looking for a great night out.

WHEN: Daily until May 31. Open late every Thursday night. The coupling exhibit is open daily after 2:30 p.m. and all day on weekends. Extended evening hours for May 27 to May 31. Find all hours information [here](#).

WHERE: TELUS Spark, 220 St. George's Drive NE
